## Serving the Lord in Zimbabwe

February 2024

### “To know Christ and to make Him known”.

Dear friends,

Global events, as well as our national and personal challenges, are underscoring the urgency of the need for believers to be more purposeful in sharing Christ both within and without the Church-building.

We are happy to see that some of the Pastors and Leaders with whom we are working have a passion for Christ and are reaching out to persons in rural communities. Our hope is that such passion will go beyond just sharing the salvation message to teaching the importance of knowing Christ as our Center, our very Life.

***“Channels only, blessed Master, but with all Thy wondrous power flowing through us.....”***

We thank God for the relationships we have been blessed to form with some of our brethren here and the growth we are privileged to see in the lives of some of those with whom we have been working. In a recent conversation with one of our young friends, we realised afresh the awesome responsibility that has been placed upon us as His servants. It is a work that only He can perform in us and through us to the extent that we remain submitted to Him. Today, more than ever, people need to know Christ. Let's keep praying for each other as He continues His work in us that we may truly be used as channels of His grace and mercy.

#### **Lessons learned from the infestation of our home by tiny ants over Christmas!**

They invaded our bathroom, our bathtub, shower, and bathroom floors. We sprayed, gave them boiling hot showers, and re-sealed with silicon. After a day or two, they would find their way through a little pin hole somewhere, and on Christmas Day, they put on quite a show. Those tiny ants were relentless in the face of their goliaths until they finally surrendered eight days later! May He grant us all grace to commit and persevere (Rom 5:1-8)

#### **Upcoming Pastors & Leaders Retreat Wednesday February 28 to Saturday March 2<sup>nd</sup>**

Kindly join us in praying for this Retreat - times of fellowship, sharing and interaction as we meet over these few days with some of our Pastors and Leaders.

Our hearts have been encouraged by the level of interaction in our online group and we look forward to this in-person meet.

**Please pray for:**

- Dhan as he prepares to lead the discussions and share what the Lord has been laying on His heart.
- John and MaryAnn who have been facing health challenges. John has been a very active member of our group, and our hope and prayer is that he will be able to attend. MaryAnn's health has been a challenge in recent years.
- Safe travels for those coming into Harare from other cities and rural areas.
- Finances to cover their travel costs as well as make provision for their families during their absence.
- Dolly and Mary as they do meal preparation.
- Dhan as he prepares for his monthly preaching engagement at Athol Evans, a Senior Citizens Complex where he has been ministering for the past ten years, on Sunday March 3<sup>rd</sup>, the day after the Retreat.
- Zimbabwe's food security – the rains were late and have stopped abruptly so the crops are stressed, and most farmers are unable to irrigate due to power outages.

**Praise and Thanksgiving for:**

- Two weeks of sharing and fellowship with Dee, his Timothy from Zambia but now on a visit to Zimbabwe. He'll be attending the Retreat.
- Indications that the Lord is answering our prayers regarding our future – *more on this later.*
- The encouragement and fellowship with other fellow workers and those we meet with in-person and online.
- Our victory over our ant infestation
- Your invaluable partnership - prayers, emails, WhatsApp messages and faithful support.

Because our Lord cares
