Physically & Spiritually Touching Lives

Dear friends of Harvest;

We recently had the privilege of meeting in person with Scot and Selina Brown, who are Harvest missionaries in Budapest, Hungary. It was great to hear how the Lord is using them to minister and share the gospel with international university students.

May was an interesting month for us as we purchased a house in Ocala but were tricked into transferring the purchase funds to a fraudulent bank account. Thanks to many prayers and the Lord's goodness, we were able to recover about 90% of the stolen money. We didn't end up getting the house. I was reminded of Psalm 103; Bless the Lord O my soul,.. Who **forgives** all your iniquities, Who **heals** all your diseases, Who **redeems** your life from destruction, Who **crowns** you... Who **satisfies** you... so that your youth is **renewed**...

Just over a week ago Debbie and I were in the Dominican Republic looking at some land and meeting with the D.R. directors for Fellowship of Christian Athletes. We would appreciate your prayers as we seek God's leadership and direction about the possibility of Harvest working with F.C.A. to reach Haitians and Dominicans with the Gospel of Jesus.

The latest information on all our missionaries and what they have been doing is available in our 2nd quarter newsletter which you can read at [www.harvestinternational.org](http://www.harvestinternational.org).

Thank you for your continued financial support for the missionaries serving the Lord and for the ministry of Harvest International.

God bless you all,

*Rod & Debbie Wray*
